Dearest Precious Friends and Partners,

We're writing you today requesting your prayers for our journey April 29th. Our hearts are consumed with anticipation as we prepare to return to the Amazon River Basin. We're not only seeking a mighty move of God, we're expecting one. We've never experienced a time when our level of expectancy is so enormous.....it's difficult to put into words. There are two things however, that we know for certain.

- 1) Several years ago, God gave us the number 55 and He told us that this number would mark a crossroads in our ministry. We didn't understand His instructions at that time.
- 2) This past Easter weekend officially marked the eighth year of our calling as Coat of Many Colors. Last year we made a very innocent miscalculation concerning the birth of our calling. We were actually in our seventh year....the year of "fullness" and "completion." Now we truly find ourselves in the eighth season of tremendous blessing for Coat of Many Colors and there are 55 new churches....actually there are 56! Hallelujah!!

We have no idea what God has in store for us, but we are certain that it's a "new thing." God has provided for every church building, the completion of a small school, several boats and/or motors, training centers, boat fuel, medicine, and many other wonderful things. Over the past few years, He has also loosed an anointing to minister. We've seen strongholds broken on entire river systems as a direct result of God's blessings and His anointed direction. So here we arrive at the crossroad (55) in our year of (8) "new beginnings." WOW!

We ask you now more than ever before to pray for us as we travel to Brazil. We ask you to pray in unity that God would use us in ways that we couldn't possibly imagine. We also ask you to pray for our protection and strength. We thank you for the many gifts that you have given us to sow while away and we ask God to bless you in ways that you've never dreamed possible! He's such an awesome God and we thank Him for connecting our lives. Together, we are making a huge difference in the Kingdom of God.

PS: We're enclosing a testimony from one of our new pastors. Hopefully, you will sense what God is doing through the lives of these precious people. We also believe that you will understand the great joy we have in blessing them with church buildings and other provisions!

It's All About Him,
